Case  
15 CIV 0624

I'm opposing to the motion of dismissing my case. I submitted my paper on January 22, 2015 by United States Postal Service, First Class Priority Mail.

I received the right to sue letter on 10-20-2014. I called the prose office for information on how can I submit the papers on my own. I received all the information needed and proceeded with submitting the papers before the deadline.

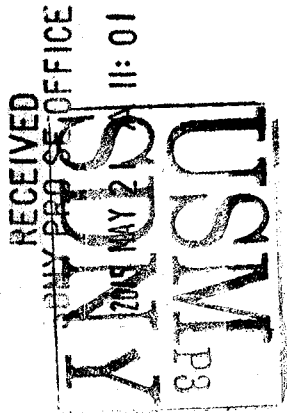

Thank You

Janet Reyes
